

COPS MUSTN'T TRY TO BLUFF WALDO BY TELLING FIBS

Those Who Admit Wrong-
doing Fare Lightly on
Trial Before Him.

NEW PLAN TO BE TRIED.

Superior Officers Must Not
Bring Trivial Complaints
Against Men.

This was trial day at Police Headquarters and Commissioner Waldo happened into the trial room while Trial Commissioner Walsh was wading through the calendar of thirty-eight cases. One of the witnesses in waiting was a fireman in uniform, and the Commissioner learned that he was Engineer John Cusack of Company No. 26, which is stationed in West Sixty-eighth street, across from the station house.

Cusack was on hand as a witness for the defense of Patrolman William F. Gatewood of the West Sixty-eighth street station, who was charged with being off post half an hour between 9 and 10 o'clock, A. M., on May 9, Commissioner Waldo volunteered to take care of the Gatewood trial himself.

The charge was preferred by Sergeant Cusack, who swore that Gatewood was off post, on the block across the street from the stationhouse for the half hour specified. Then came Fireman Cusack and swore that he saw Gatewood on post in front of the engine-house during the time mentioned by Sergeant Cusack.

Commissioner Waldo questioned both Gatewood and Cusack very closely. Then he fined Gatewood ten days pay. Having his hand in the Commissioner disposed of eight other officers' complaints. Police officers who advanced lame excuses were treated severely. Those who admitted they were off post got off lightly. The heaviest penalty, fifteen days pay, was imposed upon Patrolman Benjamin F. Brady of the East Twenty-eighth street station who was found in a restaurant when he should have been on patrol. Two patrolmen who failed to show up at roll call were fined ten days pay each.

It is said to be Commissioner Waldo's purpose to cut down the number of police trials by following a plan he used in the Fire Department. That plan was to insist that commanding officers must not bring their men up on trivial complaints and must have evidence against them. By the infliction of severe penalties in proven cases and the going away with trivial complaints, Commissioner Waldo cut down the trials in the Fire Department 90 per cent with no deterioration of discipline.

W. M. IVINS TO ASSIST IN HYDE PROSECUTION.

Attorney Whitman has engaged special counsel to assist him in prosecuting the Carnegie Trust Company case. It was understood around the Criminal Court Building that William M. Ivins was the lawyer who got the 50c Judge Whitman wasn't ready to accept it for who it was and Mr. Ivins wouldn't give a yes or a no to an inquiry.

Reinhardt, the former president of the Carnegie Trust Company, will be the first man tried in the case next, and then Hyde.

URICOL

THE CONQUEROR OF RHEUMATISM.

If you have tried every other known remedy for rheumatism do not despair. You still have Uricol, the practical certainty of Cure, and the absolute certainty of material and lasting benefit to fall back on.

Uricol is not a cure. It is a special field in rheumatic diseases and it cures them by removing the cause. Everybody nowadays knows that rheumatism is caused by an excess of Uric Acid in the blood. Local applications may relieve, but they cannot possibly get at the seat of the disease.

Uricol is a solvent and eliminator of Uric Acid. Remove the cause and the disease is gone. Uricol not only cures the common forms of rheumatism, but it does what no other remedy has before accomplished.

IT DISSOLVES AND ELIMINATES DEPOSITS IN THE JOINTS, WHERE THEY HAVE BEEN ACCUMULATING FOR YEARS.

Records are in our possession of not one but many cases where the joints of the fingers were so thickened as to be practically useless, where the hip or the knee joints were so filled with the deposits as to render the victim wholly unable to walk; yet the patients were completely restored to health and activity by the systematic use of Uricol.

In this way Uricol has been a genuine RENOVATOR OF YOUTH! We can truthfully claim the remarkable record of 90 per cent. of cures where a proper opportunity is given our remedy to accomplish the result.

We will gladly supply testimonials. Write for folder. For sale at Riker's—all stores. If your druggist does not have it, send one dollar to The California Chemical Co., 325 New High St., Los Angeles, Calif., and we will send you a bottle prepaid.
